*Centers were only included in this section if they submitted statistics to NCA on the number of children served in 2015 AND annual budget information was available in NCA's membership database (provided through NCA's member profile platform or through other documentation available to NCA).

**All NCA members as of July 6, 2016 were invited to participate in the 2016 NCA Member Census. Responses from centers are included in this section if they submitted a complete census survey by the final closing date of October 3, 2016. Additional surveys and/or updated information submitted after October 3, 2016 is not included. As each item and section on the survey was voluntary, the total number of centers responding on each item may be lower than the total N.
