WHAT IS NATIONAL CHILDREN'S ALLIANCE?

National Children's Alliance (NCA) is a nonprofit membership organization and accrediting body for the nation's Children's Advocacy Centers (CACs). A Children's Advocacy Center is a child-friendly facility in which law enforcement, child protection, prosecution, mental health, medical, and victim advocacy professionals work together to investigate abuse, help children heal from abuse, and hold offenders accountable. NCA was first federally funded in 1993 to develop and expand Children's Advocacy Centers across the country through a national sub-grants program. Since that time, NCA has administered more than \$200 million in federal funds for this purpose and has developed more than 950 Children's Advocacy Centers across the United States.

OVERVIEW

NCA, under a cooperative agreement with the United States Department of Justice Office of Juvenile Justice and Delinquency Prevention (OJJDP), will administer over 20 million in federal funds for the establishment, improvement, and expansion of Children's Advocacy Centers (CACs) through the NSP request for proposals (RFP). Please note that specific award amounts may change. All awards are contingent upon the release of funding from OJJDP.

This RFP includes references to the policies and guidance issued by the Office of Management and Budget (OMB) [Federal Register, 12/26/2013](#). The largest division of the Executive Office of the President, OMB is responsible for implementing and enforcing the President's policies across the entire Federal Government.

Additionally, the RFP incorporates by reference the [DOJ Grants Financial Guide](#) and the [OJP Grant Application Resource Guide](#).

PROGRAM SCOPE

Activities supported by this grant program are determined by statute, Federal regulations, and National Children's Alliance (NCA) policies. If an applicant receives an award, the funded project is bound by the provisions of this solicitation and the DOJ Grants Financial Guide, including updates to the guide after an award is made. All grants from NCA are reimbursement grants. Verification of expenses along with verification of payment of expenses must be provided to NCA, according to the assigned reporting schedule, and at any time by request, prior to the reimbursement of expenses.

PROGRAM DESCRIPTION AND RESOURCES

This funding is received under the OJJDP VOCA Children's Advocacy National Subgrant Program (CFDA# 16.758) to manage a national grant awards program for local Children's Advocacy Center programs on behalf of the Office of Juvenile Justice and Delinquency Prevention. CACs provide a coordinated response to victims of child abuse through multidisciplinary teams composed of

representatives from the statutorily mandated and other involved agencies. The program is authorized pursuant to the Section 214 of the Victims of Child Abuse Act (34 USC §20304).

PERIOD OF PERFORMANCE

The period of performance of all awards funded under this RFP will not exceed December 31, 2024, and therefore extensions will not be approved. Applicants must be prepared to begin the procurement process shortly after they receive notification of award and approved budget. NCA anticipates that the first awards under this RFP will be made in late Summer/ Early Fall of 2024 and will continue to be made on a rolling basis until funding is exhausted.

AVAILABILITY OF FUNDS

This RFP and awards (if any are made) are subject to the availability of appropriated funds and to any modifications or additional requirements that may be imposed by the agency or by law. In addition, nothing in this solicitation is intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

APPLICATION REVIEW PROCESS

Review Criteria

Applications will be evaluated on how the proposed project/program addresses the criteria as described under the award type:

3. Cost Comparison (10%) – evaluate for completeness and the applicant's completion and rationale for selection.

Other Review Criteria/Factors

In addition to peer review ratings, other important considerations for NCA include geographic diversity, strategic priorities, prioritization for demonstrated applicant need, recognized service needs of underserved populations, available funding, past performance, and the extent to which the Budget Detail Worksheet and Budget Narrative accurately explain project costs that are reasonable, necessary, and otherwise allowable under Federal law and applicable Federal cost principles.

NCA will execute discretion in determining awards and may give priority consideration to new applicants within and across categories to ensure the broadest reach of support under this program.

Review Process

NCA screens applications to ensure they meet the basic minimum requirements prior to conducting peer review. Although specific requirements may vary, the following are common requirements applicable to all NCA applications:

- The application must be submitted by an eligible type of applicant.

- The application must be responsive to the scope of the RFP.
- The application must include all items necessary to meet the basic minimum requirements. *

*Basic minimum requirements are detailed as part of the Application Checklist.

Among other things to help assess whether an applicant that has one or more prior Federal awards has a satisfactory record with respect to performance, integrity, and business ethics, NCA checks whether the applicant is listed in SAM as excluded from receiving a Federal award.

AWARD NOTIFICATION

For all applications, the online system will send an e-mail confirmation immediately after successfully submitting an award application. This will be the official notification of the receipt of the award application from NCA. Please print and keep this for the organization's records.

The notification for the outcome of the application submission will be emailed using the email address associated with the online account that submitted the application.
