

CAC TRAININGS AND PROVISION OF SERVICES TO VICTIMS OF CHILD SEXUAL ABUSE MATERIALS AND CHILD SEX TRAFFICKING

Eligibility: NCA Accredited Children's Advocacy Centers

Letters of Support: Partner agencies within the MDT/CAC

Maximum Award Amount: \$75,000

Goals:

To support the development, expansion, or enhancement of the full array of CAC services to victims of child sexual abuse materials (CSAM), including those victims of CSAM who are also victims of child sex trafficking.

To facilitate the development of written protocols/guidelines, policies and procedures for a coordinated CAC/MDT response specific to CSAM and child sex trafficking cases.

To provide emergency support services (clothing, medical care, mental health services, and transportation) and/or temporary housing resources* for victims of CSAM including those victims of CSAM who are also victims of child sex trafficking.

To develop CAC competencies in service provision to victims of CSAM and/or child sex trafficking by focusing on one or more of the following trainings**:

- Specialized Forensic Interview (FI) training.
- Screening and identification
- Evidence-based interventions for Mental Health clinicians.
- MDT response and the provision of services, including cases of youth-produced sexual images.
- Providing a coordinated response for local community organizations and groups

All trainings **must be specifically focused on victims of CSAM and/or child sex trafficking.

*This is limited up to the total amount charged by a shelter per night or for a hotel room at or below the federal government nightly per diem rates if it is needed as part of the direct provision of services in the process of returning a victim home to their family or caregiver.
