ABSTRACT

Applicants must provide a project abstract, which should include the following information (400 word max):

- Purpose of the proposed project
- Project activities to be performed
- Expected outcomes, deliverables, or milestones of the proposed project
- Service Area
- Intended beneficiary(ies) of the proposed project

Abstract*

Example Proposal Abstract Template: The [insert Entity name] proposes to implement the [insert project name]. The purpose is to _____ in the [insert service area]. Project activities include _____. Expected outcomes include: _____. _____ are the intended beneficiaries of the project.

Description of Issue/Needs Statement

Applicants should briefly describe the nature and scope of the problem that the program will address (i.e., increase in victims of child CSAM/child sex trafficking victims). Applicants should also describe the effects on the target population and the larger community, any previous or current attempts to address the problem, including progress made through prior projects. *

Example Needs Statement Template: Here's the CSAM/trafficking need in our service area → here's data showing it exists and how big it is → here's who is affected and what the effects are → here's what the CAC/MDT is doing now and what we've tried (and progress).

Project Design & Implementation

Applicants must include only data that is directly tied to activities funded under this RFP and supported by the proposed scope of work and budget.

Do **NOT** include data in chosen objectives, outcomes, or performance measures that reflect non-grant funded activities, prior funding, or other funding sources.

Alignment to focus/service area(s) is explicit: each selected objective/activity clearly matches the applicant's stated focus/service area(s). Objectives are aligned with scope of work and budget (relevant/achievable).

Outcomes are measurable and directly tied to each objective

- Qualitative (narrative) outcomes include enough concise detail to assess implementation (steps + responsible parties/partners + timeline milestones).

CSAM Core Service Provision

To increase staff and/or contractor time and effort in one or two of the following service areas to develop or expand CSAM/Sex-Trafficking CAC core service delivery (if more than one chosen, they must be distinct service areas funded with this award; do not select the same service area twice & do not choose services that will NOT be funded with this grant award):
