

Remaining DTVF Application Sections

This training covers only those sections in the DTVF CSAM application not included in the General Application Sections training, and includes the Needs Statement, Project Design & Implementation, and Other Required Attachment sections.

1 Click "Needs Statement"

The screenshot displays the DTVF CSAM application interface. At the top, the 'Applicant Information' section shows the organization details for NATIONAL CHILDRENS ALLIANCE INC. and a user profile for A L. Below this, the 'FORM QUESTIONS' section is visible, with a 'Needs Statement' tab highlighted by an orange circle. The 'Needs Statement' section contains a question about the CAC address and a 'Contacts' section. A 'Sign and submit' button is located at the bottom right of the form.

2 Respond to: "Abstract".

Applicants must provide a project abstract, which should include the following information (400 word max):

- Purpose of the proposed project
- Project activities to be performed
- Expected outcomes, deliverables, or milestones of the proposed project
- Service Area
- Intended beneficiary(ies) of the proposed project

Abstract*

Example Proposal Abstract Template: The [insert Entity name] proposes to implement the [insert project name]. The purpose is to _____ in the [insert service area]. Project activities include_____. Expected outcomes include: _____, _____are the intended beneficiaries of the project.

Description of Issue/Needs Statement

Applicants should briefly describe the nature and scope of the problem that the program will address (i.e., increase in victims of child CSAM/child sex trafficking victims). Applicants should also describe the effects on the target population and the larger community, any previous or current attempts to address the problem, including progress made through prior projects.*

Goal(s): To support the development, expansion, or enhancement of the full array of CAC services to victims of child sexual abuse materials (CSAM)/child sex trafficking. To facilitate the development of written protocols/guidelines, policies and procedures for a coordinated CAC/MDT response specific to CSAM and child sex trafficking cases. To develop CAC competencies in service provision to victims of CSAM and/or child sex trafficking by focusing on CSAM-specific training.
