This training covers only those sections in the Military Services application not covered in the General Application Sections training, and includes the Needs Statement, Program & Implementation, and Other Required Attachments sections.

1 Click "Needs Statement"

The screenshot displays the 'Applicant Information' section at the top, showing details for 'NATIONAL CHILDRENS ALLIANCE INC.' and a user profile 'A L' with email 'dustunderourfeet@gmail.com'. Below this is the 'FORM QUESTIONS' section, which includes a 'Download' button and a list of tabs: 'Organization Information', 'Pre Award Checklist', 'Needs Statement' (highlighted with an orange circle), 'Project Design & Implementa...', and 'Capabilities and Competenci...'. The 'Needs Statement' tab is active, showing a question: 'Is the CAC address for this application the same as the address listed in the Applicant Information above?*' with a 'No' dropdown selected. Below this is the 'Organization Details' section, which includes a text input for 'Organization Name*' containing 'Mud CAC', a text input for 'Street Address*' containing '145 Main St', and a dropdown for 'According to Rural Health Information Hub, is your CAC eligible for the CMS - Rural Health Clinics (RHC) Program?*' with 'No' selected.

2 Respond to: "Abstract"

ABSTRACT

Applicants must provide a project abstract, which should include the following information (400 word max):

- Purpose of the proposed project
- Project activities to be performed
- Expected outcomes, deliverables, or milestones of the proposed project
- Service Area
- Intended beneficiary(ies) of the proposed project

Abstract*

Example Proposal Abstract Template: The [insert Entity name] proposes to implement the [insert project name]. The purpose is to _____ in the [insert service area]. Project activities include _____, Expected outcomes include: _____, _____ are the intended beneficiaries of the project.

Description of Issue/Needs Statement

Applicants should briefly describe the nature and scope of the problem that the program will address (i.e., lack of a coordinated response investigating military cases of child abuse and neglect). Applicants should also describe the effects on the target population and the larger community, any previous or current attempts to address the problem, including progress made through prior projects.*
