Standard 11

☐ OPTIONAL STANDARD 11: Commercial Exploitation of Children: The CAC identifies, screens, and provides services to children and youth who are at-risk of, or have experienced the Commercial Sexual Exploitation of Children (CSEC).

☐ Optional Standard 11: CSEC

☐ Is the CAC Requesting review for Optional Standard 11: Commercial Sexual Exploitation of Children? If Yes, please complete the questions below. If no, please save this form as complete, below.

☐ Yes
☐ No

☐ Component 11A:

☐ Have CAC/MDT members participated in a combined total of 15 hours of CSEC training as appropriate to their roles?

☐ Yes
☐ No

☐ Has the training covered the following topic areas:

<table>
<thead>
<tr>
<th>Yes</th>
<th>No</th>
</tr>
</thead>
<tbody>
<tr>
<td>CAC Role in CSEC</td>
<td></td>
</tr>
<tr>
<td>CSEC 101 (Types and dynamics of exploitation and trafficking, role of MDT partners, federal and laws)</td>
<td></td>
</tr>
<tr>
<td>Interviewing CSEC/CST victims</td>
<td></td>
</tr>
<tr>
<td>Addressing the needs of CSEC victims (victim-centered, trauma-informed response)</td>
<td></td>
</tr>
<tr>
<td>Trends and Innovative Programs</td>
<td></td>
</tr>
</tbody>
</table>

☐ Component 11B:

☐ Are the following CSEC services are provided at the CAC or through other community resources in coordination with the CAC?

<table>
<thead>
<tr>
<th>Yes</th>
<th>No</th>
</tr>
</thead>
<tbody>
<tr>
<td>Victim outreach and identification</td>
<td></td>
</tr>
<tr>
<td>Screening and risk factor identification</td>
<td></td>
</tr>
<tr>
<td>Case management/case coordination</td>
<td></td>
</tr>
<tr>
<td>Risk assessment and safety planning</td>
<td></td>
</tr>
<tr>
<td>Victim advocacy</td>
<td></td>
</tr>
<tr>
<td>Mental health</td>
<td></td>
</tr>
<tr>
<td>Medical services</td>
<td></td>
</tr>
<tr>
<td>Interpersonal support</td>
<td></td>
</tr>
<tr>
<td>Forensic interviews (advanced training in conducting a CSEC forensic interview required)</td>
<td></td>
</tr>
</tbody>
</table>

☐ Please describe how the CAC provides the above services to victims of CSEC.

________________________________________________________________________________________
Component 11C:

Do the CAC/MDT written protocols and guidelines include service provision for CSEC victims throughout the life of their case, and MDT confidentiality and information sharing?

☐ Yes
☐ No

Component 11D:

Are all MDT members, including appropriate CAC staff, routinely involved in investigations and/or MDT interventions, as defined by the needs of the CSEC cases?

☐ Yes
☐ No

Please describe the MDT intervention process for CSEC cases, including any additional community partner agencies routinely involved in the CSEC interview and/or Case Review process.
Optional Standard 12: Child Abuse Prevention

Is the CAC requesting review for Optional Standard 12: Child Abuse Prevention? If Yes, please complete the questions below. If no, please save this form as complete, below.

☐ Yes
☐ No

Component 12A:

Does the CAC conduct a community assessment of current prevention activities/programs in the community to ensure its prevention efforts are coordinated, to avoid duplication, and to demonstrate how its efforts fit into the larger array of prevention training and services?

☐ Yes
☐ No

Component 11B:

☐ Is school-based child abuse prevention education conducted by the CAC and/or through a collaboration with community partners? Check all that apply.

☐ Yes, by the CAC
☐ Yes, by community partners
☐ No

Does the prevention education program(s) being used include the following research supported features?

<table>
<thead>
<tr>
<th>Feature</th>
<th>Yes</th>
<th>No</th>
</tr>
</thead>
<tbody>
<tr>
<td>Multi-session</td>
<td></td>
<td></td>
</tr>
<tr>
<td>Various training modalities</td>
<td></td>
<td></td>
</tr>
<tr>
<td>Role play/practice</td>
<td></td>
<td></td>
</tr>
<tr>
<td>Developmentally appropriate</td>
<td></td>
<td></td>
</tr>
<tr>
<td>Culturally relevant and responsive</td>
<td></td>
<td></td>
</tr>
<tr>
<td>Provide a component for parent involvement</td>
<td></td>
<td></td>
</tr>
<tr>
<td>Address peer victimization (youth sexual behaviors)</td>
<td></td>
<td></td>
</tr>
<tr>
<td>Include for those delivering the training a policy and training for managing disclosures that may result from participating in prevention education</td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

Please describe how the CAC and/or community partners provides the above prevention education to the community.

________________________________________________________________________
________________________________________________________________________
________________________________________________________________________

Component 12C:
Does the CAC provide or help coordinate prevention education training for CAC staff and MDT members?

- Yes
- No

**Component 12D:**

Does the CAC provide or make available through community partnerships Mandatory Reporter training within the community?

- Yes
- No

Does the Mandatory Reporter training include the following:

<table>
<thead>
<tr>
<th>Yes</th>
<th>No</th>
</tr>
</thead>
<tbody>
<tr>
<td>Recognizing signs of child sexual abuse and other forms of child maltreatment</td>
<td></td>
</tr>
<tr>
<td>Identifying grooming behaviors</td>
<td></td>
</tr>
<tr>
<td>Responding to disclosures of abuse</td>
<td></td>
</tr>
<tr>
<td>Reporting suspected child abuse</td>
<td></td>
</tr>
<tr>
<td>Understanding the CAC/MDT response</td>
<td></td>
</tr>
</tbody>
</table>

Please describe how Mandatory Reporter training is offered and accessed within the community.

Standard 13

☐ Physical Abuse Standard: Specialized care, evaluation and treatment services are available to all physical abuse clients and are coordinated as part of the multidisciplinary team response.

☐ Is the CAC requesting review for Optional Standard 12: Child Abuse Prevention? If Yes, please complete the questions below. If no, please save this form as complete at the bottom of this page.

☐ Yes
☐ No

Component 13A:

☐ Are medical exams and documentation conducted by health care providers with specific training in child physical abuse that meets one of the following training standards?

☐ Yes
☐ No

The CAC must demonstrate that its medical provider(s) conducting exams meets at least ONE of the following Training Standards: Please list the providers name/names next to their corresponding training requirement.

Child Abuse Pediatrics Sub-board eligibility or certification __________________________

Physicians without Child Abuse Pediatrics board certification or eligibility, but who have advanced training in the field of CAP, who have practiced in the field for 5 years and/or at least 50% of their cases are child physical abuse cases __________________________

Physicians without Child Abuse Pediatrics board certification or eligibility (excluding those above with advanced training and expertise), Advanced Practice Nurses, and Physician Assistants must collaborate with a Child Abuse Pediatrician or someone acting as a CAP __________________________

Forensic Nurses without advanced practitioner training should have a minimum of 40 hours of training specific to the medical evaluation of child physical abuse and must work in conjunction with an advanced medical team that includes an advanced practitioner __________________________

Component 13B:

☐ Are medical assessments conducted by health care providers with specific training in child physical abuse that meets one of the following training standards?

☐ Yes
☐ No

The CAC must demonstrate that its medical provider(s) conducting assessments meets at least ONE of the following Training Standards: Please list the providers name/names next to their corresponding training requirement.

Child Abuse Pediatrics Sub-board eligibility or certification __________________________

Physicians without Child Abuse Pediatrics board certification or eligibility, but who have advanced training in the field of CAP, who have practiced in the field for 5 years and/or at least 50% of their cases are child physical abuse cases __________________________
Physicians without Child Abuse Pediatrics board certification or eligibility (excluding those above with advanced training and expertise), Advanced Practice Nurses, and Physician Assistants must collaborate with a Child Abuse Pediatrician or someone acting as a CAP.

Component 13C:

Do all medical professionals providing services to CAC physical abuse clients demonstrate continuing education in the field of child physical abuse consisting of a minimum of 8 contact hours every 2 years?

☐ Yes
☐ No

Component 13D:

Can medical professionals providing physical abuse services to CAC clients demonstrate peer review of CAC physical abuse exams? These medical professionals must demonstrate participation in an expert peer review process a minimum of 6 times per year.

Note: Please assure only de-identified log or form of documentation is provided

☐ Yes
☐ No

Please list the name and qualifying expertise or the system being used to provide expert peer review.

Component 13E:

Are specialized medical evaluations for the child client available on-site?

☐ Yes
☐ No

Are specialized medical evaluations available through written linkage agreements with other appropriate agencies or providers?

☐ Yes
☐ No

If No formal linkage agreement is in place, please explain the process to ensure that the medical needs of CAC clients are met.

_____________________________________________________________

_____________________________________________________________

_____________________________________________________________

Component 13F:

Do the CAC/MDT written protocols and guidelines include access to appropriate physical abuse medical evaluation and treatment for all CAC clients?

☐ Yes
☐ No

If this information is already included in a previously uploaded attachment please list the attachment name and page number.

_____________________________________________________________

Are specialized physical abuse evaluations and treatment available and accessible to all CAC clients regardless of ability to pay?

☐ Yes
☐ No
What are the sources of payment used to cover the costs of physical abuse exams and assessments?

Component 13G:

Does the CAC/MDT written protocols/guidelines include the circumstances under which a medical evaluation for child physical abuse is recommended?

- Yes
- No

If this information is already included in a previously uploaded attachment please list the attachment name and page number.

Component 13H:

Please describe how the medical providers conducting exams for CAC physical abuse clients collect documentation of medical findings by written record?

Please describe how the medical providers conducting exams for CAC physical abuse clients collect documentation of medical findings by photo-documentation?

Is all medical record storage HIPAA-compliant, secure, sufficiently backed up, and accessible to authorized personnel in accordance with all applicable federal and state laws?

- Yes
- No

Component 13I:

How are MDT members and CAC staff trained regarding the purpose and nature of the medical evaluation for suspected physical abuse? Please explain in the space below.

Who educates clients and/or caregivers regarding the physical abuse evaluation? How?

Component 13J:

How are findings of the physical abuse evaluation shared with the MDT in a routine, timely and meaningful manner?
