This letter is to inform you that your recent request for project funding has been denied for _____ grant from _____ for FY24. While we were impressed with your proposal and compelled by the challenges you are working to solve, we are unable to provide your requested financial support.

Sincerely,

{Awarding Agency}”

Example 2:

“Dear {Applicant},

We would like to thank you for your interest in this year’s competitive grant funding process. This year we received a high number of applications which were reviewed by a committee of experts in the child abuse and prevention field. After careful review, we regret to inform you that we are unable to fund your proposal this year.

Many factors are included in the evaluation of proposals. Program area plays a role in that we may have exceeded our budgets in a given category. We wish your agency success and encourage you to apply for future funding opportunities.

Sincerely,
